DECLARATORY RESOLUTION NO..263-1913.

For the vacation of that portion of Malcolm Street lying between the North line of the alley North of State Boulevard, and the south line of the alley North of Dodge Street.

Resolved by the Board of Public Works of the city of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate that portion of Malcolm Street from the North line of the first alley North of State Boulevard to the south line of the first alley North of Dodge Street. This vacation is subject to the right of the city to at all times maintain therein the public sewer therein located, and subject to the right of the City of Fort Wayne, Indiana, to enter upon said vacated alley for the purpose of making repairs or otherwise, as herein set out and that any obstructions hereafter made upon the same by any property owner or owners of property abutting thereon, interfering with the Board of Public Works in the exercise of their easement herein reserved, shall be removed by the said Board of Public Works at the expense of said property-owner or owners. In the event that a replat is made of the land lying west of Malcolm Street, and a new outlet of the same diameter and grade is provided for the sewer in the alley between Lynn Street and Dodge Street, the above easement ceases to exist.

All as shown by a plan of such proposed vacation now on file in the office of the Department of Public Works of said city.

The cost of said vacation and all expenses connected therewith to be assessed against the property beneficially affected thereby.
